Southfield, MI 48075**

Dear Mr. Kerr:

In the issue of asbestos, suspected mercury, and suspected PCBs, U.S. EPA would like to finalize plans for the group to remove mercury and PCBs. U.S. EPA proposes the group and U.S. EPA notify the State DEQ, City of Detroit, and Wayne County that asbestos will remain after the removal.

We appreciate your ongoing cooperation in this matter.

Sincerely,

**Brian Kelly
EPA OSC**
